Pavement Interactive

- Looking for a just-in-time resource on pavement practices?
- Seeking a free, credible resource for pavement needs?
- In search of graphics, videos, and animations to help with pavement education?

Core Modules
- Pavement History
- Pavement Types
- Materials
- Design Parameters
- Mix Design
- Testing
- Structural Design
- Construction
- QC & QA
- Specifications
- Pavement Evaluation
- Rehabilitation
- Maintenance
- Pavement Management

Who is involved?

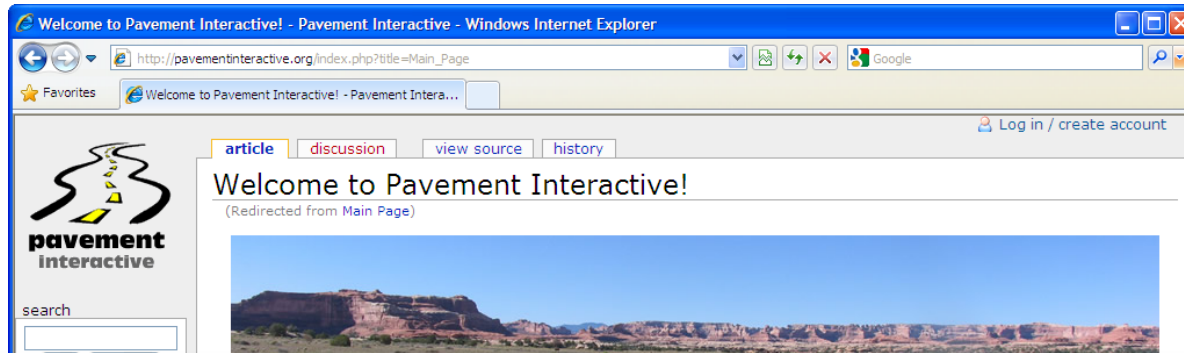

Who uses it?

- Over 190,000 unique visitors
- With over 1,800,000 page views
- From over 200 countries
